Subject: The law "Breach of the Peace" - a formal complaint

Mr. Baines,

I deeply regret having to come to you with my issues, but what is happening here on Cayman Brac with the Royal Cayman Islands Police is wrong. There are laws protecting my constitutional rights as a citizen of the Cayman Islands and Great Britain, and I thought the RCIP's job is to "serve and protect".

I have attached various documents to show what has been happening here on Cayman Brac these past few months, and each time I've brought it to the attention of the RCIP on Cayman Brac and have been ignored or even worse – told that I am "wasting their time."

It started last May when two RCIP officers invaded my privacy by coming into my yard when the gate was shut regarding a complaint to the governor supposedly made by my ex-wife Elsie. I have yet to confirm the validity of this complaint. I have attached the chain of emails regarding this.

I have also attached copies of two Facebook postings made by my ex-wife and her nephew, and by Kimberley and Dalkeith Ebanks. These postings clearly slander my good name and reputation on this island, and my construction company, Atlantis Construction. I call this a "breach of the peace".

Hopefully, you can assist me and protect the rights that I'm entitled to.

I await your reply.

Respectfully,

Ronald Kynes Sr. (A.K.A. "Foots")
