Mr. Owens,

In reference to the email dated September 11, 2014 from Mr. Baines concerning my meeting with Sgt. Ferguson, I would like to provide the following remarks and suggestions concerning your review and investigation of this matter:

1. All correspondence will be kept in writing by way of email – for my well- being as well as the R.C.I.P.'s well being.
2. All emails between us will be carbon copied to Mr. Baines and Robert B. Groh. I want Robert Groh included because he is the executor and recipient of my estate. He's aware of the health issues I've been dealing with over the past years and my current state of health. I want him to be kept aware of the entire matter.
3. Because of these current health issues, time is of the essence for me. I will not be put on the back burner. I expect this issue to be dealt with in a timely manner.

I'm sure you'll agree and will not have any problems with these requests.

Even more important than this issue is the issue concerning your two RCIP officers coming into my yard with a complaint Elsie had allegedly made to the Governor. I'm still waiting for the response from my FOI request submitted to the Governor's office to confirm this. I sent Mr. Baines an email about this on Wednesday, September 10, 2014 because I was not happy with the way the local police had been handling it. It's my opinion I'm being stalled off and I will not tolerate any excuses from any department. I know my constitutional rights.

Thank you.

Respectfully,

Ronald Kynes Sr. (A.K.A. "Foots")
