Ms. Evans,

I would like to bring the email below to your attention, as I feel it's a very serious matter. My ex-wife has put in writing an extremely serious allegation concerning Gary Wong that is completely false. I have sent this email to the R.C.I.P. on Cayman Brac to be dealt with.

I wanted to bring this to your attention because it's possible my ex-wife could be emailing slanderous comments like this to other people, and these islands are small and gossip spreads fast. I'm reaching out to people like you concerning this because it's important to me that you know the situation I'm dealing with as far as my ex-wife and her mentality. I want to assure you that comments like the one below – and any other absurd comments made by her – are completely false and have no basis at all in the truth. I've worked hard on Cayman Brac for 30 years to earn my reputation, and I will not have it marred by a bitter ex-wife.

Thank you for your time, Ms. Evans. I truly am sorry to trouble you with this type of email, but it was important to me that you knew the truth.

Respectfully,

Ronald Kynes Sr. (A.K.A. "Foots")
