Subject: RE: Status on complaints made to RCIP

Mr Kynes as follows:

1. Your complaints regarding comments on Facebook- You are correct that the comments could be Slanderous and Defamation of Character. The RCIPS will not be prosecuting this matter as it is civil, as an option you may wish to take out civil proceedings yourself against the parties involved if you wish.
2. Your complaint regarding Sgt Fergusons behavior- I advise you to contact the Professional Standards Unit of the RCIPS which is in Grand Cayman to make a complaint if you wish who deal with these type of matters since it would not be appropriate to investigate my own officers.
3. The burning of the "ATLANTIS PYRAMID"- My investigations reveal that this occurred on the 31st December 2009. There is no police report on this matter, however I did contact the Fire Dept who do have a report, which you may apply to them for a copy. However it states on their report that the cause of the fire is UNKNOWN. Given these details there is no further lines of enquiry that I am unable to pursue at this time.

Frank Owens
