Ms. Vaughan,

You are my only contact in the Governor's office, so please forgive me if you are not the appropriate person to send this email to. I trust you will forward it to that person.

I would like to lodge a formal complaint of email harassment from my ex-wife Elsie Kynes. Please see the email below she sent me on October 14, 2014. As you can see, she actually stated I "put a hit out on Gary Wong". I know you're aware of that name and his status in the Department of Immigration. Now, I have attached the documented proof of this harassment and I look forward to it being dealt with accordingly.

I await your reply.

Thank you.

Respectfully,

Ronald Kynes Sr. (A.K.A. "Foots")
