Dear Ronald Kynes,

Thank you for your application dated 04-OCT-2019, received by us on 04-OCT-2019.

Department of Environmental Health is pleased to respond to your request being:

Any and all responses to this email. Please be specific. Names, departments, personal, all along with photos from each person or department, be specific, that are listed in this email from Roydell Carter, DEH Director, Sept 26, 2016, 3:21 pm.

The Department of Environmental Health (DEH) currently does not have any records on the email referred to in your FOI request. This is due to the fact that no other persons in the DEH were copied on the email; also, the email was sent from Mr Roydell Carter's email address and the responses would have been sent directly to him. Mr Carter, the former Director DEH is no longer with the Government to be able to access the information. Therefore, one suggestion might be that you contact those individuals on the email list directly for their response, as no other in the DEH was privy to that information.

If you have any queries about this letter, please contact me. Please remember to quote your reference number above in any future correspondence.

Yours sincerely
